## LNN Beach Labyrinth Festival

July 18 & 19, 2015  
Tierra Del Mar, Oregon  
(3 miles north of Pacific City)

July 18th-19th Labyrinth Network Northwest together with Circles in the Sand will present a weekend of labyrinth making, walking, and workshops.

Denny Dyke, beach labyrinth artist and amazing energy behind Circles in the Sand, will be creating beautiful labyrinths on the beach at Pacific City and Tierra del Mar, Oregon. You are invited to help Denny, and you can also create your own beach labyrinths. Check out all of Denny's activities, photos and events. Be sure to get there early to walk the different labyrinth designs before the tide takes them away.

After a morning of labyrinth activities on the beach, afternoon events will be at the Tierra del Mar Community Center. This family friendly event includes workshops and hands on activities for adults and children. Fun for everyone! Don't miss it!
