Denny Dyke featured in Oregon Coast Magazine

The February issue of Oregon Coast Magazine is now on the news stands (and at the library). There's a very nice article about Denny Dyke's Circles in the Sand which begins on page 50.... lots of good pictures, of course.

Getting to know you Let's talk labyrinths January 30, 2016 at 1:00 PM

Now that I'm living in Portland, I'd like to get acquainted with my new neighbors. Everyone is welcome... labyrinth enthusiasts as well as those just curious about labyrinths.

This will be a very casual get together with a few munchies to give us energy for talking.

We'll meet at the Club House aka Office Bldg.
