

# Update on Sustainable LNN: labyrinth website saved for now, still need your ideas, help with events.

A few weeks ago Labyrinth Network Northwest let you know about our current situation and asked for help.

We are *deeply* grateful to the many people who sent encouraging notes and shared what LNN means to them. Your support touches our hearts and keeps us going. We are likewise grateful to the people who joined as members and *especially* those who sent donations, some quite substantial. One person offered to help plan a program (there's still an opportunity for you to help). We continue to seek your ideas of ways LNN can be more sustainable in the future.

It's not too late to be part of the response that will keep LNN and its valuable website going strongly into the future. Please think about what LNN means (or could mean) to you and support the organization in any way you feel moved to do. Thank you for whatever support you can provide.
