A three-part workshop exploring the origins of the shamanic, labyrinthine experience from the deep caves of France, to the resurgent use of the labyrinth in the present age as a healing, unifying force for humanity's future. Explore three different labyrinth designs on an archetypal journey through the labyrinths of human history.

Morning Session: *Journey Through the Archetypal Labyrinth of the Paleolithic Caves* - presented by Jodi Lorimer, author of "*Dancing at the Edge of Death; Origins of the Labyrinth in the Paleolithic*" (www.dancing-at-the-edge.com)

- Follow an Ariadne's thread back to the origin of the labyrinthine symbol, among the ancient shaman/artists of the Paleolithic while exploring the deep caves of Europe
- Time travel into the first labyrinth – the Axial Gallery of Lascaux
- Meet the Minotaur at the center of the labyrinth as you have never known him

Early Afternoon Session: *Petroglyphs, Cathedrals and Beyond: The Journey of Labyrinth Transformation from Bronze Age through the 20th Century* - presented by Sandra Wasko-Flood, local artist, labyrinth designer, president and founder of Living Labyrinths for Peace, (www.livinglabyrinthsforpeace.org)

- Come home to the center of the labyrinth - experience a safe and peaceful place: the goddess, a sacred marriage, the World Tree, a Game of Love, Death-Rebirth, the Path from Inner Peace to World Peace.
- We'll explore multiple designs from cultures throughout the world: the Cretan or Classical 7-Circuit, the Medieval, Chartres Cathedral and contemporary designs.
- Walk a grass path, painted canvas, or follow an interactive sequence of lights.

Late Afternoon Session: *The Yearning for Unity and the 13:20 Ratio Shift To Balance: The Spiral Journey of the New Aeon* - presented by Christiana Brinton, designer of the 13 circuit, *Stargate Rainbow Labyrinth*, and host of Blogtalk Radio's, *Labyrinths In the News*. (www.turningtide-energetics.com)

- Learn the paradigms and symbols of this new age we've just entered while previewing a new spiral, sociological model that offers some breathing room as humanity navigates this transitional period
- Explore the attributes of the number 13 as a reflection of the spiral form of the galaxy and its connection to the Earth's lunar and solar cycles
- Glimpse what's possible when the safety of the closed 12 circuit circle is relinquished and we step into the infinite expanse of the 13 circuit spiral where our transpersonal senses are awakened.
