*The Labyrinth:  
5,000 Years of History and Use in 45 Minutes*

We will take a cursory yet informative and entertaining look at how humans worldwide have created and used labyrinths from earliest known history to present day.

Join us to see several elegant labyrinth designs and to learn the secret to drawing a simple Classical Labyrinth. Presentation will be followed by the opportunity to walk the St. James courtyard labyrinth. Bring your curiosity, a friend, and an umbrella, just in case. All ages welcome. Our labyrinth designer/artist DC Donohue will be facilitating this conversation and opportunity to walk our new courtyard labyrinth. Please join us following worship on Sunday, October 9<sup>th</sup>.
