

TRINITY LABYRINTH WORKSHOP

Denny Dyke

Circles in the Sand

An evening of images and conversation with Denny Dyke, founder of Circles in the Sand. Denny has followed his inner guidance to draw beautiful labyrinths in the sand along the Oregon Coast, working with teams to create them in about 2 hours, then invites everyone to walk to find their inner quiet and connection.

Since 2015, over 40,000 people have walked these sandy pathways. Join us as Denny shares the story, images, insights, and lessons he has learned while following his passion from wild idea to renown.
